WORK EXPERIENCE

- Business Manager – KebabG ** 📍 Kuala Lumpur - Malaysia
Sep 2017 - PRESENT
 I have joined the newly founded QSR and successfully turned into systematic QSR yielding demonstrated profit by setting up new company's departments "HR, payroll, finance, Marketing" and SOP creation in store while training managers (currently have 3 locations in MY with few offers to franchise to other parts of MY, Japan and ME region).
- General Manager F&B – M. H. Al Shaya   ** 📍 UAE – Kuwait – Qatar
Jun 2012 - Oct 2017
 Worked with various American high-end brands at the beginning of joining Alshaya such "Cheesecake factory, shake shack and IHOP) before settling on IHOP managing multiple locations within UAE (focusing on Dubai), ensuring corp standards adhered in all restaurant's areas, was in charge on new outlets preopening in multiple new markets.
- IT project exective – GCEC ** 📍 Damascus - Syria
Jan 2008 – Mar 2010
 Providing IT support for Engineers and architects in terms of Software and hardware. Analyze and troubleshoot bugs and problems to mail server, network, Cloud servers. Administrating network as per Company policies and ensure secure network.
